Gulbarga University, Kalaburagi

**Regulations Governing the Choice Based Credit System Semester Scheme in
Under Graduate Degree Programmes in the Faculties of Arts, Social Sciences,**

Science and Technology and Commerce and Management

Revised As Per Gvt. Order 166, UNE 2023, Bengaluru Dt.08.05.2024.

(Framed under Section 44(1) (c) of the Karnataka State Universities Act 2000)

Preamble

The National Education Policy 2020 (NEP-2020) is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving – but also social, ethical, and emotional capacities and dispositions. In a broader way, NEP envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.

The University Grants Commission (UGC), New Delhi directed all the States and the respective Central and State Universities to implement the NEP – 2020. Accordingly the Government of Karnataka, the most forward-looking State, and IT Capital of India took the initiative of implementing the National Education Policy (NEP) from the academic year 2021-22 for all its higher educational institutions. Its implication on the higher education system was reviewed by the State Education Policy Commission, headed by Prof. Sukhadev Thorat, the Former Chairman, UGC, New Delhi and submitted an interim report of revised curriculum frame work to the Government of Karnataka. The state Government has accepted the interim report and issued the Order on 08-05-2024 (Govt. Order No. ED 166 UNE 2023, Bengaluru, Dt. 08.05.2024), to implement the revised curriculum frame work with effect from the year 2024-25.

The revised curriculum structure for under graduate Programme has three models by confining the UG-programmes for 03 years. (i) 03 majors with a general degrees for all the 06 semesters, (ii) 03 majors up to 04 semesters and specialization in one subject in 5th and the 06th semesters and (iii) Single subject specialization from first semester with minors. Gulbarga University, Kalaburagi has decided to adopt the model No. -1 for B.A. and B.Sc. Programmes and Model No.-3 for subject specialization/ Subject specific / stand alone 3- year degree programmes unless and otherwise it is specified for the degree programmes like BVA, BFA which have been treated for 4 – year degree programme as per UGC norms.

TableNo.7: Final Result/ Grades Description

Semester GPA/ Program CGPA	Alpha-Sign/ Letter Grade	Semester % of Marks	Result/Class Description
9.00 - 10.00	O (Outstanding)	90.0 - 100	Outstanding
8.00 - < 9.00	A+ (Excellent)	80.0 - < 90.0	First Class Exemplary
7.00 - < 8.00	A (Very Good)	70.0 - < 80.0	First Class with Distinction
6.00 - < 7.00	B+ (Good)	60.0 - < 70.0	First Class
5.50 - < 6.00	B (Above Average)	55.0 - < 60.0	High Second Class
5.00 - < 5.50	C (Average)	50.0 - < 55.0	Second Class
4.00 - < 5.00	P (Pass)	40.0 - < 50.0	Pass Class
Below 4.00	F (Fail)	Below 40	Fail/Reappear
AB (Absent)	-	Absent	-

The calculation of CGPA is as follows:

- Grade Point:** It is a numerical weight allotted to each course on a 10-point scale. Grade point is calculated by dividing the marks obtained in the course by the maximum marks of that course, then multiplied by 10.

- ii. **Credit Point:** It is the product of grade point and number of credits for a course.
- iii. **Semester Grade Point Average (SGPA):** The SGP is based on the performance in the whole semester. The student is awarded SGPA for each semester based on the total grade points obtained and the total number of credits opted for. The SGPA is calculated by dividing the total credit points earned by the student in all the courses by the total number of credits of those courses of the semester.
- iv. **The Cumulative Grade Point Average (CGPA)** shall be calculated by dividing the total number of credit points in all the semesters by the total number of credits in all the semesters.
- v. The grade card after each semester examination shall indicate the courses and associated credits, grade points, credit points and SGPA. No grade shall be awarded for each semester and the same shall only be awarded at the end of all the semesters based on CGPA.

The process explained above is illustrated below.
